## **Author instructions**

The full-length paper for publication should not be less than four pages and not more than eight, in English. Please follow the conference format. A maximum of two papers are accepted, by either a main author or a unique author. Prospective authors are kindly invited to submit full text papers including results, tables, figures and references. Full text papers will be accepted by email [tehnomus@fim.usv.ro](mailto:tehnomus@fim.usv.ro). The Organizing Committee can accept only \*.doc or \*.docx format.

All the papers will be evaluated by two reviewers. Selected papers will be published in the TEHNOMUS Journal *New Technologies and Products in Machine Manufacturing Technologies*.

Authors bear full responsibility for the papers content.
